Dear Bob:

We have received questionnaires from the Herner and
Company for the National Clearinghouse for Smoking and Health,
and I should like to have our projects listed in their next publication.

I hope that this meets with your approval and have enclosed
for your scrutiny and suggestions, drafts of my proposed answers.

Yours very truly,

Freddy Homburger, M.D.
President and Director

(P.S. Would you please return the questionnaire and attached
correspondence as well as the drafts.)

Enclosure returned with approval on Oct. 24.
