IMPORTANT! PLEASE REFER TO OUR QUOTATION NUMBER WHEN PLACING YOUR ORDER.

Packard Instrument Company warrants all new instrumentation of its manufacture to correspond to Packard specifications and to be free from defect in workmanship and material for 12 months from date of installation of original system, except when installation is delayed by the purchaser. In that case the warranty period is 13 months from date of shipment. Repair or replacement of parts, including labor and travel, will be provided at no cost to the purchaser for this period of time under reasonable usage conditions and excepting customer incurred damages. Subject to terms and conditions set out on reverse side hereof.

This quotation is valid only if the instrumentation is delivered and installed within the continental United States.
