Dear Norma:

Mr. Hassett is out of town (and I assume Mr. Dwyer might be traveling, too).

I just talked with Mr. Jack Lewis of our area Grocery Manufacturers Representatives. They would definitely be interested in hearing Mr. Dwyer but they do not meet in the summer months. Should another visit in the September through May period be scheduled, by all means contact Mr. Lewis. The group consists of several tobacco products people and interested general membership and they would welcome a presentation by the Tobacco Institute.

Very truly yours,

Secretary to Mr. Hassett
