

ATTACHMENT 4A: LABEL
DOW CORNING(r) 1-2366 SILANE

71

DOW CORNING® 1-2366 silane

SPECIAL USE AND SAFE HANDLING
INFORMATION: For use with
when exposed to water or humid
air.

BEFORE HANDLING: READ product and material safety data sheets for detailed use and
health information.

DANGER! POISON! May be fatal or cause blindness if swallowed.
Irritates eyes. May be serious. Flammable. Polymerizes on contact with moisture.
Overexposure may injure kidneys if absorbed through skin. After overexposure may cause
drowsiness and may irritate nose and throat.

Overexposure can injure eyes, nervous system, and may cause unconsciousness.

Cannot be made non-poisonous. Do not take internally. Avoid eye contact. Keep away from
heat, sparks, and flames. Use with ventilation to avoid flammable vapor buildup and to
maintain vapor within inhalation guidelines. Keep container closed. Avoid breathing
vapor. Avoid contact with eyes, skin, and clothing. Wash hands thoroughly after
handling. If SWALLOWED, obtain medical attention or call Poison Control Center. Use
down and keep alert. Cover eyes to exclude light. If medical attention is not
immediately available, induce vomiting. In case of eye contact, flush immediately with
water for 15 minutes. Obtain medical attention. In case of skin contact, flush skin
with water for 15 minutes while removing contaminated clothing. Obtain medical attention if
all effects persist. Thoroughly clean contaminated clothing before reuse. In case of
inhalation all effects, remove to fresh air. Obtain medical attention if effects
persist.

COMPOSITION:
DOW CORNING 1-2366 Silane
Polymerized Silane
1-2366 Silane
1-2366 Silane

Maximum Allowable Concentration (MAC) and
inhalation limit (IDLH) for water and alcohol
compounds: 1000 ppm.
