

May 2nd 2000

Dear Sir
I will try once again, I have smoked
Doral light one hundred, for about fifteen
years, and have know intentions of
changing, I have for about ten or so
year, received free cartons, However in
November of 99 I moved from 1725 S.W. Blvd
Apt 304 moved to my present address, and
mailed Doral a notice of my change of address

I have not received a real round,
and I will go right on smoking
Doral if I never get one, But I am
retired, and live on a fixed income
it really helped, so if there is any
thing you can do to help me, it
will be gratefully appreciated

Respectfully yours
