**Let's settle  
this right now!**

No man ever smoked a better cigarette than Camel!

You'll find Camels unequalled by any cigarette in the world at any price because Camels expert blend of choice Turkish and choice Domestic tobaccos puts Camels in a class by themselves.

Camels smoothness will appeal to you, and permit you to smoke liberally without tiring your taste!

Camels leave no unpleasant cigarette aftertaste nor unpleasant cigarette odor!

You'll prefer Camels blend to either kind of tobacco smoked straight!

Camels are sold in 100's in an airtight metal tin and in 20's in a soft paper pack. The soft paper pack is a pleasure to open and the tin is a pleasure to carry. We strongly recommend this brand for the home or office supply or when you travel.
