

To Whom It May Concern  
# 11619761

My name is Jean Greene,  
and I am a loyal Weston  
Customer.

The last 4 cartons of  
Weston 100 the packages  
have come apart. I am  
enclosing 2 pack that  
come apart. It seems like  
not enough glue was put  
on the band that goes  
across the top of the packs.  
I hope you can remedy  
this problem.

Thank you  
Jean Greene
