INTEROFFICE MEMORANDUM
No. 307 By *mau*

SUBJECT: Weekly Highlights Summary

DATE: June 25, 1984

TO: Dr. R. A. Lloyd

FROM: M. D. Wallace

Project CC

Results from blind two-pack testing and Product/Concept Testing are expected 7/16/84.

Project SA

Room Aroma panels are tentatively scheduled for late July of this year.

A short overview of SA will be given to PPT and the new consultant from Cambridge Group (Rick Kash) 6/27/84.

Project XG

New Personnel

Bill Needs was added to security clearance list and will be helping in statistical analysis of extended run data.

Wayne Mabe and Steve Kelly were assigned to this project from QA. An update of this project will be presented to them on 7/2/84.

June Newsome was assigned to XG from Established Brands. An orientation for June is scheduled for 6/29/84.

Packaging

Diane, Cheryl, Floyd Phillips, and Jim Joy had a meeting on 6/21/84. You will be receiving a memo summarizing this meeting.

Wave II NFO Test

Prototype making is scheduled for 7/2.

Milly's investigation of CM topdressing concluded that this flavor delivery system would not produce the same
