Shepherd Smith
The Institute For Youth Development
PO Box 16560
Washington, DC 20041

Dear Mr. Smith:

I am sending this letter to request that the AC Green Youth Foundation and The Institute For Youth Development join together with a common goal, to help improve the health of America's youth.

I look forward to your response and any helpful resource materials that may help further our programs in the greater Phoenix area.

Thank you for all of your help!

Sincerely,

A handwritten signature in black ink, appearing to read "GinaMarie Scarpa", is written over a horizontal line.
