

To Whom it may Concern:

I am writing you to check  
out if you can send me some  
Reg. Coupons for Salem's.  
You have been sending me  
ones for Food Lion + even with  
the \$3.00 off I still can  
get them cheaper at another  
Store. They are one of the  
highest priced stores in our  
Area. I always call + ask  
for more to be sent hoping  
they will be different.

If you would, I would  
be glad to send back the ones  
you sent me for Food Lion.  
Thanks for all your help.
