Dear Ms. Payne:

I am in receipt of your memo to Arthur Stevens dated January 26, 1995. The original of this letter, and enclosures, is being sent by courier for delivery tomorrow, February 8th.

I have attached E.L.E.C. Form L-2. In addition, note that I have no record of direct Lorillard expenditures in New Jersey to any state officials, including legislators or their immediate families, in 1994.

Please review with Joe Doss of Covington & Burling to determine any indirect expenditures made by third parties that may be attributable to Lorillard.

Yours sincerely,

Nicholas Simeonidis
