Name Bill Hamlin

## A. PLEASE READ THE INSTRUCTIONS FIRST:

Pictured on the left is a thermometer with grades from 0 to 100 and phrases that describe each grade; for example, 100 is the very best, 90 is excellent, - all the way down to 0 which is the very worst.

As a cigarette for your own use, where would you grade the cigarette you just tried on the thermometer chart?

40  
RECORD GRADE
