

Scott -

These are the EIP  
contracts I picked back  
a couple of weeks ago.

- DMN shared my concern  
@ staffing at bases

- Per Don A, some of the  
sampling occurs at outings  
for military spouses and  
events occurring at or near  
military bases.

- I asked that the descr.  
be chg'd to reflect "Event"  
sampling.

- Also, Don A assured  
us that there are still  
sigif #s of people  
(regular & reserves) at these  
bases.
