

**Name:** Paul Brian Sydenham CLARKE

**Position:** Assistant Professor

**Birthdate** 9/9/55

**Education and Positions held:**

1977	Cambridge University, England	BA, MA Natural Sciences
1982	London University, England	PhD Psychopharmacology
1982 - 1985	NIMH, Bethesda, MD	Postdoctoral Fellow
1985 - 1987	University of British Columbia	Postdoctoral Fellow
1987 -	Assistant Professor, Dept of Pharmacology and Therapeutics, McGill University, Montreal, Canada	

**Honors:**

1982 - 1985	Fogarty (NIH) Visiting Fellowship
1985	MRC (UK) Travelling Fellowship
1985 - 1987	MRC (Canada) Visiting Fellowship
1985	NATO Scholarship
1988 - 1989	Fraser-Monat-McPherson Scholarship
1989 - 1992	FRSQ (Quebec) Scholarship (1989-1992)
1990	Young Investigator of the Year Award, Canadian College of Neuropsychopharmacology

**Other Contributions:**

Contributor, U.S. Surgeon General's 1987 Report on Smoking and Health  
Member of Committee formed by Royal Society of Canada on behalf of Health  
and Welfare Canada to advise on the issue of tobacco use  
Member, IUPHAR committee on nicotinic receptor nomenclature  
Deputy Field Editor, NeuroReport (1990 - present)  
Member, FRSQ review committee for mental health grant applications

**Organization of Symposia:**

Chairman and organizer, Nicotine Actions in the CNS, symposium at Third  
IBRO World Congress of Neuroscience, Montreal, Aug 4-9, 1991  
Member, Local Organizing Committee, International Symposium on Cholinergic  
Neurotransmission, Montreal, July 26-30, 1992  
Chairman and organizer, CNS Nicotinic Receptors: Cholinergic Transmission  
to Immunological Function, symposium at the annual meeting of the  
Canadian Federation of Biological Societies, Victoria, BC, June 1992  
Chairman, Coordinating Committee, 8th International Cholinergic Symposium:  
Cholinergic Neurotransmission, Montreal, July 1992  
Co-convenor, International Symposium on Nicotine, Montreal, 1994 (to be  
proposed as a satellite to IUPHAR meeting)

**Invited speaker at the following symposia (since 1989):**

Symposium on nicotinic receptors, annual meeting of American Society of Neurochemistry,  
Chicago March 5-10, 1989  
Symposium on nicotine and health, annual meeting of the American Psychiatric Association,  
San Francisco, May 6-12, 1989  
CIBA Foundation Symposium on The Biology of Nicotine Dependence, London UK, Nov 6-9, 1989  
International Satellite Symposium on Nicotine, XIth International Congress of  
Pharmacology, Hamburg, June 28-30, 1990  
Round table on CNS Nicotinic Receptors, European Society for Neurochemistry, Leipzig, July  
23-28, 1990
