MEMORANDUM

TO: Michael J. Kerrigan
FROM: Alexander H. King *AH King*
SUBJECT: Washington State Contributions

Enclosed is the first set of contribution requests for Washington State for 1984.

This list is the combined effort of both T.I. counsel, Messrs. Morgan and Fritz, and myself. All potential recipients are either incumbent office holders or are running in open seats and all have proven themselves to be either friends of our industry or have open minds regarding issues with which our industry is concerned.

We anticipate these, contributions will be well-timed, coming before the September 18, 1984, Washington State primary election. To have maximum impact, however, they should be delivered as early as possible before that date.

We also anticipate that immediately after the primary election, we will be requesting the balance of our contributions budget, to be delivered prior to the general election in November.

In the event these checks can be prepared and sent within the next couple of weeks, during the time I will be on vacation, please have them sent direct to N. Dean Morgan, T.I. legislative counsel. Morgan will coordinate their hand-delivery with T.I. co-legislative counsel William Fritz.

Thank you.
