Dear Don:

Thank you very much for your letter of February 15, 1995, and for informing me about the product contamination that a friend of yours found recently in a Marlboro cigarette. I have forwarded your letter to our PM USA personnel, and have asked them to investigate the situation. I will let you know as soon as I receive a report.

I hope that all goes well with you.

With warm regards,

Sincerely yours,

Murray H. Bring
