RJR INTER-OFFICE MEMORANDUM

SUBJECT: WINCHESTER TOP DRESSING
CHANGE

DATE: March 26, 1985

TO: Mr. Donald Royal
64 Blending

FROM: C. D. McGee
Flavor Technology Division
Applied R&D

Effective April 1, 1985 the top dressing for WINCHESTER will change from S-39 to S-59. The change is necessary for meeting the flavor protocol requested by management.

The application rate remains the same (8.82 lbs). The pounds per gallon has changed slightly. S-39 is 8.64 pounds/gallon and S-59 is 8.61.
